North Harbour Sacred Heart Church Corporation

Website Considerations

1. Do we have a domain name?
2. Who will host the website?
3. Will we bother with copyright?
4. Will we have a privacy policy? It's probably important if we are asking users to provide personal information.
5. The website for charitable organisations can provide some guidance on these questions charity@webnames.ca or 1-866-221-7878.
6. I suggest we defer the issue of Shawn's cemetery files and how users can receive updates, etc. to work on over the winter.

Colours and Fonts

I suggest that our brand colour be red (Crimson or Cardinal) with White (background), Black (font) and light grey (edges for photographs or images) No other colours except for photographs or images. I suggest that our brand colour be red as the church is the Sacred Heart Church.

I suggest that our font be Open Sans or Gotham. Both are widely used in church websites as they are highly readable, and web and mobile optimized. Font sizes will differ depending on whether it's body text (10-14pt), Banner on Home Page (30-36pt), (Headers or Menu (18pt). I think we really to see the website before we can suggest adjustments.

Home Page

The Homepage should be really simple.

The name of the Corporation should nearly span the top of the page.

We need an appropriate image for the Home Page and an appropriate greeting.

The Menu could run down the left side of the Homepage and contain the following tabs noted below in bold

About Us

A short introduction

Articles of Incorporation

By-laws

Board

Financial Statements

History

Newsletter

Our Church

A short history of the church, how we acquired it, what we've done so far, what needs to be done, what the church is available for (what sacraments), is there a regular Mass, and a link to [Support Us](#)

Our Cemetery

Again, similar to Our Church with a link to [Support Us](#)

Support Us

Emphasize that we are a registered charitable organisation, that receipts are issued for donations and that donations are tax deductible. Provide ways to donate -cheque, etransfer, CanadaHelps - with appropriate links or mail addresses.
